

HEART FOR RUNNING YOUR DAY.

Feelings. Truth. Love.

Heart is an extraordinary phenomenon. Disguise it self as just an organ it is nothing but that. The Heart serves billions of people everyday, holding their emotions without any judgment or prejudiced. It helped people for many years with processing some of the most difficult emotions to experience like grief, disappointment, heart break, failure, shame and many more. And it did it with love, deduction and service.

Heart helped and participated in endless yoga classes, mediations in every corner of the world, support groups, intimate relationships of all kinds. Heart did tremendous work in hospitals, recovery centers, weekends gate aways and billions of friendships.

The genius of the Heart is that it is available to you at any moment in life. Alone, surrounded by people you know or strangers. It's for you to connect to on a good day or a bad day. It can help you when you feel the most helpless and supports you in your happiest days.

If you want to feel, to be real and to live life to the fullest no matter what comes your way vote for Heart.
